Subject: Draft Deliberative - ICP-OES performance documentation for Shaw
[Draft Deliberative ICP OES performance demonstration request 071112.docx](#)

Steve, here's what I've drafted. I really need to get some sleep and look at this again with a fresh mind in the morning. Please look it over to see if I'm missing anything else that we need to include in the full data packages. I've addressed some highlighted questions to you at the end. We'll have to work on the wording for what to have the expedite in the morning.

Thank you,
